PROFESSIONAL SUMMARY

Detail-oriented Full Stack Software Engineer with hands-on experience building responsive, user-focused web applications using React.js, Node.js, and modern JavaScript. Proven ability to deliver end-to-end solutions from API integration to polished UI. Currently pursuing a B.Tech in Computer Engineering at LAUTECH and a Software Engineering Professional certification at SQI College of ICT. Actively seeking impactful roles to contribute to innovative products and grow within a collaborative team.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Framer Motion

Backend: Node.js, Express.js, REST APIs, Nodemailer

Database: MongoDB, JSON data management

Tools & DevOps: Git, GitHub, Vite, Vercel, Railway, npm

UI/UX: Responsive Design, Component Architecture, Accessibility

WORK EXPERIENCE

Frontend Developer (Freelance)

2025 – Present

Self-Employed | Remote

- Built and deployed 4+ production web applications for clients across industries including hospitality, healthcare, and recruitment.
- Developed a Job Recruitment Portal with an admin dashboard and application-tracking system using React, Node.js, MongoDB, and Express.
- Created a Nigerian Foods App with real-time search and filtering powered by public APIs and Tailwind CSS.
- Built an Ambulance Dispatch UI with complex state transitions and real-time updates using Framer Motion.
- Delivered a Catering Landing Page with WhatsApp ordering integration for a restaurant client.

Junior Web Developer (Intern)

2025 – 2026

SQI College of ICT | Ogbomsho, Nigeria

- Completed intensive full-stack development training covering React.js, Node.js, Express, and MongoDB.
- Collaborated on team projects and built portfolio-grade applications under industry mentorship.
- Gained hands-on experience with REST API design, deployment workflows, and agile development practices.

NOTABLE PROJECTS

Job Recruitment Portal

talenthub-six-eta.vercel.app

Stack: React, Node.js, MongoDB, Express

Full-stack recruitment platform with admin dashboard, candidate management, and hiring workflow automation.

Nigerian Foods App

food-api-red.vercel.app

Stack: React, Tailwind CSS, Public API

Application showcasing Nigerian cuisines with real-time search and filtering via public food APIs.

Ambulance Dispatch UI

ambulance-alpha.vercel.app

Stack: React, Framer Motion, Tailwind CSS

Emergency response management system with real-time tracking and complex animated state transitions.

Catering Landing Page

catering-and-restaurant-service.vercel.app

Stack: React, Tailwind CSS, WhatsApp API

Professional restaurant landing page with WhatsApp ordering integration for seamless customer flow.

Windows 11 Portfolio

In Development

Stack: React, Vite, Express, Framer Motion

Full OS-themed developer portfolio mimicking Windows 11 with draggable windows, taskbar, start menu, and live backend.

EDUCATION & CERTIFICATIONS

B.Tech, Computer Engineering

Expected 2027

Ladoke Akintola University of Technology (LAUTECH)

Software Engineering Professional Certification

Expected 2026

SQI College of ICT
